This license agreement is an agreement between you and Galbanum | sonic science aural allusion. It governs your use of Architecture Volume One supplied to you by Galbanum. By purchasing, downloading, installing or otherwise using this product or any part of its contents, you agree to be legally bound by the terms of this license agreement.

All material contained in this product is intellectual property of Galbanum. The provided audio samples, graphic/PICT files, text files, wavetable data, and all other resources are produced exclusively by Galbanum and remain property of Galbanum. This agreement grants you use of this property, and establishes the conditions of this use.

Specifically, this product can be used for commercial or non-commercial music and audio productions including synchronization/scoring work without the prior or additional permission from Galbanum under the terms of this agreement. All other uses of the contents of this product are also granted without condition, with one exception.

This exception is namely: Galbanum expressly disallows any part of this product or its contents to be used directly and specifically for the production of similar or derivative commercial content libraries, which use contents from this product either in their exact form/state or in forms/states which are clearly derived from parts of this product. For example, rendering Image Synth Presets herein contained as-is and reselling a collection of them as a commercial third-party sample CD/DVD is forbidden. Likewise, translating and redistributing the Wavetable Library for 3rd party applications is also forbidden. All other similar use is also forbidden. Generally any desired use of this product, its contents, or direct derivatives for purposes of the production and commercial exploitation of audio/visual content libraries, software instruments and applications, synthesizers, DSP applications, or similar products, is not granted under the terms and scope of this agreement. This type of use may be granted at the sole discretion of Galbanum on a case by case basis under additional licensing terms agreeable to both parties if any potential third party expresses such interest. Interested parties should contact Galbanum via email to discuss said interests.

With the purchase of this sample library you have acquired a single-user license. Any other use in whole or in parts (giving, trading, lending, renting, re-issuing, re-distribution or re-sale of this product or any of the contained content) is expressly prohibited, without the prior written permission of Galbanum.

This license will terminate automatically without notice by Galbanum if you fail to comply with any provision of this license. Upon termination you shall destroy all copies of the product.
